BORACAY

The essence of paradise

Destination

Boracay Island is the top ranked destination in the Philippines. The white beach of Boracay has been continuously awarded as one of the most beautiful beaches in the world due its powdery white sand, turquoise waters and breath-taking sunset.

Located on the north tip of the island of Panay, the airport of Caticlan is the closest to Boracay Island. Only 15 minutes' boat ride separate the airport from paradise.

Accommodation

Feel the Philippines' selection of accommodation has been chosen in view of the greater comfort and enjoyment of our Experiencers, including air-conditioning, en-suite bathroom, swimming pool and Wi-Fi among other facilities and services.

Weather

Boracay has two main seasons: The dry season starts in late November and ends in May, while the rainy season starts in June and lasts till October. Temperatures are between 24°C and 33°C. The best time for enjoying The Philippines is from December to June.
